

REGISTRATION MADE EASY!

Open registration for the 2010-2011 annual session begins
May 17, 2010 and it's as easy as 1, 2, 3!

1. Make your class selections.

A schedule of beginning classes is available online. If your child has previous dance experience, simply call the office to determine the best class placement. Need help selecting the right class? You can observe a class during our summer session from June 22 through August 5. Just let us know, we're happy to help!

2. Stop in the studio at your convenience.

We understand how busy summer is for families, so we have designed our registration process to be quick and convenient. There are no set "registration dates". You can stop in any weekday. Our summer office hours are as follows:

Monday, Wednesday & Thursday: 9:00a - 5:30p

Tuesday: 9:00a - 7:00p

Friday: 9:00a - 4:00p

3. Enjoy your summer and watch for your email or postcard!

We will be hosting a private sale in August for all registered students. There will be great savings and door prizes and the staff will be available to fit students for shoes and apparel. Don't miss your chance to win a free Recital Package! If your child doesn't need new shoes, we'll see you the first week of classes!
