

REGISTRATION MADE EASY!

**Registration is open for the 2010-2011 annual session
and it's as easy as 1, 2, 3!**

1. Make your class selections.

A schedule of beginning classes is available online. If your child has previous dance experience, simply call the office to determine the best class placement. Need help selecting the right class? Just let us know, we're happy to help!

2. Stop in the studio at your convenience.

We understand how busy life can be for families, so we have designed our registration process to be quick and convenient. There are no set "registration dates". You can stop in any weekday. Our hours are:

Monday-Thursday: 12:30p - 9:00p

Friday: 9:30a - 5p

If your child needs any shoes or apparel our staff can assist you with sizing. Unsure if last season's shoes still fit? Bring them with you and our staff can check.

3. We hope to see you soon!
