**Warsaw Community High School
Performing Arts Center**

Dear Family and Friends,

Welcome and thank you for joining us for our first annual Holiday Magic performance! We are so proud of our students and their hard work in preparing for today's performance. Watching their growth and accomplishments throughout the process has been wonderful!

Nothing brings about the joy of the season like holiday music. From classic songs to catchy new melodies, you are sure to enjoy! Now it is time to sit back and relax as our dancers bring the happiness of the holidays to the stage. We hope you will show our performers your support through your thunderous applause.
