

Dance Etc. Parents:

We are excited to have your child join us in DE this season! If you have any questions, please let us know. We will do our best to answer all questions and keep you informed.

RESPONSE FORMS

When phone calls, texts or letters requesting responses are distributed it is **imperative** that they are returned in a timely manner. We intend to hand out all Dance Etc. related papers on the day your child has Dance Etc. practice, so keep an eye out. When a dancer is unable to participate in a performance, it is necessary for the staging to be reworked. Therefore, advance notice is needed so the changes may be planned out and taught to the dancers at the practice preceding the performance. If a dancer does not attend the practice preceding the performance, they will not be eligible to participate in the performance. We appreciate your effort in making this work. The students work hard each class and we want them to be confident with every performance.

MAKEUP

All Dance Etc. students are required to purchase specific performance makeup from the studio for everyone to look uniform for the photoshoot and performances. If you do not have performance makeup, please see Miss Ashley as soon as possible. New Dance Etc. participants will be billed for makeup and sent home with their costume.

When applying the eye shadow, apply the lighter color over the entire eyelid (up to the brow line) and apply the darker color on the eyelid (below the crease only). Dab a small amount of the lighter shadow on the inside corner of the eye (against the bridge of the nose). Foundation, blush, mascara, and lipstick are also to be applied. Powder is strongly suggested to set everything.

HAIR

Holiday Magic, Annual Concert, and Recital:

Bun at the crown of the head with a ponytail holder that matches the dancer's hair color and a hair net. Any clips or bobbie pins also need to match the dancer's hair color. We have these items available at the dance school for purchase. All loose hair is to be clipped and hair sprayed securely.

Competition:

Ponytail at the crown of the head with a ponytail holder that matches the dancer's hair color. Any clips or bobbie pins also need to match the dancer's hair color. We have these items available at the dance school for purchase. All loose hair is to be clipped and hair sprayed securely.

Boys: Hair must be styled to stay out of the face

Students will not be permitted to perform with hair dyed an unnatural color (i.e. pink, purple, orange, etc.) or visible tattoos. Please use make up designed to cover tattoos. Speak with the staff if you have any questions regarding this.

It's recommended you have a makeup and hair kit that you take along to all performances. Kit should include:
