

Debra Collier's School of Dance

Saturday, June 1

Warsaw Community High School
Performing Arts Center

Dear Family and Friends,

Welcome and thank you for joining us for The Time Machine, our 47th annual recital! We are so proud of our students and their hard work in preparing for today's performance. Watching their growth and accomplishments throughout the season has been wonderful! Whether their dance journey is just beginning or drawing to a close, we consider it our privilege to have spent this time with them.

We extend our deepest gratitude to Miss Tammy for 35 years of dedication, passion and unwavering commitment to nurturing and inspiring countless students on their dance journey. She's not just a teacher, but a dear friend to all of us. We would like to take this opportunity to thank her for sharing her talent, knowledge and love of dance with all of us and congratulate her on this wonderful milestone.

Please sit back and enjoy as our dancers take you on an adventure through time. *The Time Warp* may take you back to the *Ice Age* or *Fast Forward* you to the *Year 3000*. As you find yourself tapping along to techno music from the 80's, the swing of the 30's, or swaying to the rhythm of *The Renaissance*, you'll be transported by the *Timeless* classics and so much more.

We hope you will show our performers your support through your thunderous applause!

Miss Deb and Staff
